The Assisted Living Waiver Program

The goal of the ALW is to:

1. Facilitate a safe and timely transition of Medi-Cal eligible seniors and persons with disabilities from a nursing facility to a community home-like setting in a Residential Care Facility (RCF), an Adult Residential Care Facility (ARF), or public subsidized housing, utilizing ALW services
2. Offer eligible seniors and persons with disabilities, who reside in the community, but are at risk of being institutionalized, the option of utilizing ALW services to develop a program that will safely meet his/her care needs while continuing to reside in a RCF, ARF, or public subsidized housing
